

# VA OEMS Approved TargetSolutions – Together with CentreLearn Course Listing

Please view the following list of VA OEMS approved courses. The area numbers per each level of certification are listed below. Any course that you take that is not on this list will not count for VA OEMS credit, therefore it is the responsibility of the provider to verify and make sure a course is approved and covers the appropriate area number/category that is needed. All EMS courses in the system are approved by CAPCE and may be used toward the National Registry, whether or not it has current VA OEMS approval.

## BLS Area 11 – Airway, Oxygenation and Ventilation

Pediatric Fluid Resuscitation and Airway Management (BLS)
Basic Airway Management (BLS)
Introduction to Capnography (BLS)
Non-Visualized Airways Part 1 (BLS)
Non-Visualized Airways Part 2 (BLS)
NiPPV (BLS)
Pediatric Airway Management (BLS)
Pediatric Respiratory Emergencies: Upper Airway (BLS)
Pediatric Respiratory Emergencies: Lower Airway (BLS)

## BLS Area 12 – Cardiovascular

Unusual Resuscitation Situations: Environmental Emergencies (BLS)
Basic 12-Lead EKG Operation and Interpretation (BLS)
Asystole and PEA: Treating the Non-Shockable Rhythms (BLS)
Emergency Treatment of V-Fib and Pulseless V-Tach (BLS)
Assessment and Management of V-Tach with Pulses (BLS)
Stroke Assessment and Treatment (BLS)
Inducing Hypothermia Following Cardiac Arrest (BLS)
Introduction to the Human Brain (BLS)
Hypothermia Assessment and Treatment (BLS)
Heart Failure (BLS)
Acute Coronary Syndrome (BLS)
Defibrillation (BLS)
Pediatric Cardiac Emergencies (BLS)

## BLS Area 13 – Trauma

Emergency Care for Lightning Strike Victims (BLS)
Pelvic Injuries and Stabilization (BLS)
Fetal Trauma from Motor Vehicle Collisions (BLS)
Assessment and Treatment of Ankle Injuries (BLS)
Avalanche: Rescue, Injury and Treatment (BLS)
Low Back Pain (BLS)
Animal Bite Assessment and Treatment (BLS)
Assessment and Treatment of Submersion Injuries (BLS)
Recognition and Treatment of Heat Emergencies (BLS)
Hip Fracture Assessment and Treatment (BLS)
Recognition and Treatment of Foot Injuries (BLS)
C-Spine Injuries in Athletics Part 1 (BLS)
C-Spine Injuries in Athletics Part 2 (BLS)
Altitude Illness (BLS)
Kinematics of Trauma (BLS)
Shock and Shock Management (BLS)
Traumatic Brain Injury (BLS)
Snowmobile Trauma (BLS)
Musculoskeletal Injuries Part 1 (BLS)
Musculoskeletal Injuries Part 2 (BLS)
Burn Injury Assessment and Treatment (BLS)
Spinal Injury Assessment and Treatment Part 1 (BLS)
Spinal Injury Assessment and Treatment Part 2 (BLS)
Advanced Shock Part 1 (BLS)
Advanced Shock Part 2 (BLS)
EMS Response to Mass Casualty Incidents (BLS)
Lifting and Back Safety (OSHA)
Slips, Trips, and Fall Prevention (OSHA)
Electrical Hazards (OSHA)

# VA OEMS Approved TargetSolutions – Together with CentreLearn Course Listing

## BLS Area 14 – Medical

Epilepsy and Seizure Response for EMS
Disease Conditions of Chronic Alcoholism (BLS)
Nose Bleeds, Breaks, and Obstructions (BLS)
Pain Transmission, Perception, and Assessment (BLS)
Pain Management (BLS)
Myths and Realities of Drug Seeking Behavior (BLS)
Complementary and Alternative Medicine (BLS)
Assessment, Treatment and Transport of Morbidly Obese Patients (BLS)
Pediatric Patient Assessment: Part 1 (BLS)
Pediatric Patient Assessment: Part 2 (BLS)
Methamphetamine Use & Hazards (BLS)
Over the Counter Drug Overdoses (BLS)
Recognition, Prevention, and Management of Sepsis (BLS)
Demystifying the Central Line (BLS)
Emergency Childbirth (BLS)
Obstetric Complications (BLS)
Abdominal Emergencies (BLS)
Avian Influenza (BLS)
Allergic Reaction Management (BLS)
Renal Failure (BLS)
Foodborne Illness (BLS)
Asthma Part 1: Epidemiology, Pathophysiology, and Assessment (BLS)
Asthma Part 2: Treatment (BLS)
Depression (BLS)
Nausea and Vomiting (BLS)
Tricyclic Antidepressant Overdose (BLS)
Calcium Channel Blocker Overdose (BLS)
Methicillin Resistant Staphylococcus – MRSA (BLS)
Smallpox (BLS)
Diabetic Ketoacidosis (BLS)
Diabetic Emergencies Part 1: Causes and Types (BLS)
Diabetic Emergencies Part 2: Assessment and Treatment (BLS)
Assessing and Treating Patients with Service Dogs (BLS)
Pandemic Influenza Part 1 (BLS)

Pandemic Influenza Part 2 (BLS)
Cyanide Poisoning (BLS)
Ecstasy Abuse Management (BLS)
Special K: Ketamine Abuse (BLS)
Pharmacology and Drug Administration (BLS)
Suicide - Deliberate Death (BLS)
Seizure Management (BLS)
Understanding Dementia (BLS)
Poisons and Toxins Part 1 (BLS)
Poisons and Toxins Part 2 (BLS)
The Human Body Part 1 – Critical Systems (BLS)
The Human Body Part 2 – Other Systems (BLS)
Pharmacology Special Considerations (BLS)
Intraosseous Infusion (BLS)
Understanding and Restraining Patients with Excited Delirium (BLS)
Narcotics Overdose (BLS)
Pediatric Fever (BLS)
Bloodborne Pathogens (OSHA)
Respiratory Protection and Tuberculosis (OSHA)
HIV/AIDS Part 1 (OSHA)
HIV/AIDS Part 2 (OSHA)
Eye Protection (OSHA)

## BLS Area 15 – Operations

Ethics for the EMS Provider (BLS)
Assessment Challenges in Geriatric Patients (BLS)
Child Abuse: EMS Roles & Responsibilities (BLS)
Stress in the Workplace (OSHA)
Sexual Harassment in the Workplace (OSHA)

# VA OEMS Approved TargetSolutions – Together with CentreLearn Course Listing

## ALS Area 16 – Airway, Ventilation and Respiration

Automatic Transport Ventilators (ALS)
Pediatric Fluid Resuscitation and Airway Management (ALS)
Basic Airway Management (ALS)
Introduction to Capnography (ALS)
Non-Visualized Airways Part 1 (ALS)
Non-Visualized Airways Part 2 (ALS)
NiPPV (ALS)
Pediatric Airway Management (ALS)
Pediatric Respiratory Emergencies: Upper Airway (ALS)
Pediatric Respiratory Emergencies: Lower Airway (ALS)

## ALS Area 17 – Cardiovascular

12-Lead ECG Interpretation Part 1 and Part 2 (ALS)
Pre-hospital Pediatric Resuscitation (ALS)
Unusual Resuscitation Situations: Environmental Emergencies (ALS)
Basic 12-Lead EKG Operation and Interpretation (ALS)
Demystifying the Central Line (ALS)
Asystole and PEA: Treating the Non-Shockable Rhythms (ALS)
Emergency Treatment of V-Fib and Pulseless V-Tach (ALS)
Assessment and Management of V-Tach with Pulses (ALS)
Pharmacology and Drug Administration (ALS)
Stroke Assessment and Treatment (ALS)
Inducing Hypothermia Following Cardiac Arrest (ALS)
Introduction to the Human Brain (ALS)
Heart Failure (ALS)
Acute Coronary Syndrome (ALS)
Defibrillation (ALS)
Management of Bradycardic Rhythms (ALS)
Pediatric Cardiac Emergencies (ALS)

## ALS Area 18 – Trauma

Diver Down: SCUBA Injury and Illness (ALS)
Emergency Care for Lightning Strike Victims (ALS)
Pelvic Injuries and Stabilization (ALS)
Nose Bleeds, Breaks, and Obstructions (ALS)
Fetal Trauma from Motor Vehicle Collisions (ALS)
Assessment and Treatment of Ankle Injuries (ALS)
Avalanche: Rescue, Injury and Treatment (ALS)
Low Back Pain (ALS)
Animal Bite Assessment and Treatment (ALS)
Assessment and Treatment of Submersion Injuries (ALS)
Recognition and Treatment of Heat Emergencies (ALS)
Pediatric Patient Assessment Part 1 (ALS)
Pediatric Patient Assessment Part 2 (ALS)
Hip Fracture Assessment and Treatment (ALS)
Recognition and Treatment of Foot Injuries (ALS)
C-Spine Injuries in Athletics Part 1 (ALS)
C-Spine Injuries in Athletics Part 2 (ALS)
Abdominal Emergencies (ALS)
Altitude Illness (ALS)
Kinematics of Trauma (ALS)
Shock and Shock Management (ALS)
Traumatic Brain Injury (ALS)
Snowmobile Trauma (ALS)
Musculoskeletal Injuries Part 1 (ALS)
Musculoskeletal Injuries Part 2 (ALS)
Burn Injury Assessment and Treatment (ALS)
Spinal Injury Assessment and Treatment Part 1 (ALS)
Spinal Injury Assessment and Treatment Part 2 (ALS)
Selective Spinal Immobilization (ALS)
Hypothermia: Assessment and Treatment (ALS)
Intraosseous Infusions (ALS)
Advanced Shock Part 1 (ALS)
Advanced Shock Part 2 (ALS)
EMS Response to Mass Casualty Incidents (ALS)

# VA OEMS Approved TargetSolutions – Together with CentreLearn Course Listing

## ALS Area 19 – Medical

Pediatric Ingestions (ALS)
Disease Conditions of Chronic Alcoholism (ALS)
Pain Transmission, Perception, and Assessment (ALS)
Pain Management (ALS)
Myths and Realities of Drug Seeking Behavior (ALS)
Assessment, Treatment and Transport of Morbidly Obese Patients (ALS)
Over the Counter Drug Overdoses (ALS)
Recognition, Prevention, and Management of Sepsis (ALS)
Emergency Childbirth (ALS)
Obstetric Complications (ALS)
Avian Influenza (ALS)
Allergic Reaction Management (ALS)
Renal Failure (ALS)
Foodborne Illness (ALS)
Asthma Part 1: Epidemiology, Pathophysiology, and Assessment (ALS)
Asthma Part 2: Treatment (ALS)
Depression (ALS)
Nausea and Vomiting (ALS)
Tricyclic Antidepressant Overdose (ALS)
Calcium Channel Blocker Overdose (ALS)
Methicillin Resistant Staphylococcus – MRSA (ALS)
Smallpox (ALS)
Diabetic Ketoacidosis (ALS)
Diabetic Emergencies Part 1: Causes and Types (ALS)
Diabetic Emergencies Part 2: Assessment and Treatment (ALS)
Cyanide Poisoning (ALS)
Ecstasy Abuse Management (ALS)
Special K: Ketamine Abuse (ALS)
Suicide - Deliberate Death (ALS)
Seizure Management (ALS)
Understanding Dementia (ALS)
Poisons and Toxins Part 1 (ALS)
Poisons and Toxins Part 2 (ALS)
Understanding and Restraining Patients with Excited Delirium (ALS)
Narcotics Overdose (ALS)
Pediatric Fever (ALS)

## ALS Area 20 – Operations

Ethics for the EMS Provider (ALS)
Assessment Challenges in Geriatric Patients (ALS)
Child Abuse: EMS Roles & Responsibilities (ALS)

### Category 2

*Any of the courses taken that are approved for a Category 1 area may be applied toward Category 2. These courses are only approved for Category 2.*

Complementary and Alternative Medicine (ALS)
Methamphetamine Use & Hazards (ALS)
Medical Staffing at Large Events (ALS)
Clinical Decision Making (ALS)
Patient Care Report Essentials (ALS)
General Science (ALS)
Weapons of Mass Destruction - An Intro to WMD Agents (ALS)
Death and Dying (ALS)
The Human Body Part 1 - Critical Systems (ALS)
The Human Body Part 2 - Other Systems (ALS)
Pharmacology Special Considerations (ALS)
Emergency Responder Rehabilitation (ALS)
Medical Staffing at Large Events (BLS)
Clinical Decision Making (BLS)
Patient Care Report Essentials (BLS)
Detailed Physical Exam (BLS)
Patient Assessment: Part 1 (BLS)
Patient Assessment: Part 2 (BLS)
General Science (BLS)
Weapons of Mass Destruction - An Intro to WMD Agents (BLS)
Death and Dying (BLS)
Emergency Responder Rehabilitation (BLS)
Workplace Violence (OSHA)
Functional Approach to Physical Fitness for Emergency Responders (OSHA)
Hearing Protection (OSHA)
Introduction to OSHA and General Safety Training (OSHA)
Ergonomics (OSHA)
Sports Medicine for EMS (OSHA)
Workplace Diversity (OSHA)
Fire Extinguishers: Extinguish or Evacuate? (OSHA)
Understanding the Hazard Communication Standard (OSHA)
EMS Hazmat Awareness (OSHA)
